UN OBSERVING 9TH BIRTHDAY

Plan 2 Programs

The United Nations observes its ninth birthday today, with this Sunday designated as "a day devoted to making known the aims and achievements of the United Nations."

Two special broadcasts on WROK, at 12:45 and at 5:15 p.m., planned to coincide with the proclamation of United Nations Day, will serve to bring to mind the UN story of current accomplishment and future hope.

Seniors of East Rockford high school will present the 12:45 a.m. program with Ann Nyman, Phyllis Mosser, Kris Allen, Mary Lindskold, Bob Hallberg, and Herman Mitchell participating under the supervision of Elizabeth McGuire.

Mrs. Francis Hickey and Mrs. Rufus Oldenberger, members of the speakers bureau of the United Nations committee, will be heard on WROK at 5:15 p.m. in a brief discussion of UNICEF and WHO. Don Bowton will interrogate this afternoon's speakers regarding these agencies of the UN.

A new local TV series, M. D., premieres on channel 13 at 12:30 p.m. today with Nan Lund acting as moderator in a discussion of "Accidents in Rockford and Winnebago County."

Participating will be Drs. Alfred Meyer and George Green, and Police Sgt. Charles Berve.

The largest line-up in television history will carry the two-hour production, Light's Diamond Jubilee tonight at 8 o'clock. Local channels 13 and 39 both will carry the gala celebration which will feature such Broadway and Hollywood luminaries as Helen Hayes, Judith Anderson, Joseph Cotten, Eddie Fisher, and Guy Madison.

Pearl Bailey, popular chanteuse, will challenge Metropolitan Opera Star Robert Merrill to a singing duel on Ed Sullivan's Toast of the Town tonight at 7 o'clock on channel 13.

Release Results Of Survey Soon

Results of a bread survey made in Rockford last spring will be released soon by the U. S. department of agriculture.

The survey, made in co-operation with the baking industry, is to learn if consumers want richer bread than they are now getting. Consumers here were asked to test samples of bread each week for six weeks.

The samples, baked by the American Institute of Baking, Chicago, varied in firmness and sugar, fat, and milk content.

Robert M. Walsh, department of agriculture spokesman, said the results may help in solving the problem of the continuing decline in consumption of white pan bread.

Accompanies Ellington Show

Dave Brubeck and his Brubeck quartet, top instrumental combo in the most recent Downbeat magazine jazz poll, will appear with Duke Ellington in a Beloit college fieldhouse concert Wednesday night, Oct. 27.

Dave Brubeck In Fieldhouse Performance

Duke Ellington's concert group will play Wednesday in the Beloit college field house on its cross country tour. The Duke and his troupe opened in New York's Carnegie hall last week and are playing tonight at the Chicago Civic Opera house.

Featured in addition to the Ellington band will be some of the outstanding names in the jazz world. Dave Brubeck and Gerry Mulligan will be there with their respective quartets, as well as Stan Getz with his famous tenor sax.

According to the last jazz poll conducted by Downbeat Magazine, Ellington walked away with the big band honors, and Brubeck captured the title among combos with Mulligan a runner-up.

The Ellington concert is the first attraction on the college's fourth annual field house series. "The Bob Hope Show," Nov. 19, Jessica Tandy and Hume Cronyn in "Face to Face," Nov. 29, and The Chicago Symphony with Fritz Reiner, Feb. 5, complete the series.

Tickets are still available for all shows.

Pensioners Plan Candidates' Night

The American Golden Age Pension club will hold candidates' night Tuesday evening in its hall, 319½ E. State st., starting with a dinner at 6:30 o'clock.

Candidates of both parties have been invited, and Mrs. Vey R. Buland, Chicago, executive secretary of the state organization, will discuss pensions and social security.

Mrs. Bonnie Wareham, president, is in charge of the program and Mrs. Mae Heatherington is general chairman for the dinner.

VETERANS DAY UNIT TO MEET

Plan Observance

A newly-formed Veterans day committee will meet at 8 o'clock Thursday night in the Navy club to further plans for Veterans day, Nov. 11.

Veterans day has replaced Armistice day in a move to honor America's veterans of all wars. Armistice day commemorated the end of world war 1.

Louis J. Daigle, chairman of the new committee, has announced that the Most Rev. Raymond P. Hillinger, bishop of Rockford, will speak during Veterans day ceremonies. John F. Propp will be parade marshal.

The committee replaces a former American Legion committee. It will represent every veteran and veteran-connected organization in Rockford.

Daigle said he expects the new group to become a standing committee. Suggested name for it is the Veterans Council of Greater Rockford.

Invitations to Thursday's meeting have been sent to seven American Legion posts, three Veterans of Foreign War posts, the Amvets, Navy club of Rockford, Disabled American Veterans, Order of the Purple Heart, Marine Corps league, Spanish-American War Veterans, Catholic War Veterans, and Rockford Barracks organization.

Nurses To Meet

Division No. 3 of the licensed Practical Nurses Association of Illinois will meet at 7:30 o'clock Wednesday night in the Erlander museum. The state president will be present.

Japanese Educator Plans Tour of Area

Dr. Ganjo Kosaka, president of Aoyama Gakuin, a Methodist school in Tokyo, Japan, will speak in Rockford and area churches during a tour of Chicago and northern Illinois during the first half of November.

His tour will be climaxed by talk before the Rockford district ministers' institute Nov. 15 in the Y.M.C.A. Lodge. He will speak in the Centennial Methodist church here at 11 a.m. Sunday, Nov. 14, and in the Court St. Methodist church at 7:30 o'clock Sunday night, Nov. 14.

Speeches in area churches are scheduled as follows: Sycamore Wednesday, Nov. 3; Mendota Methodist church, 1:30 p.m. Thursday, Nov. 4; Mount Morris Methodist church, 7:30 p.m. Tuesday, Nov. 9; and in the First Methodist church of Freeport at 7:30 p.m. Friday, Nov. 12.

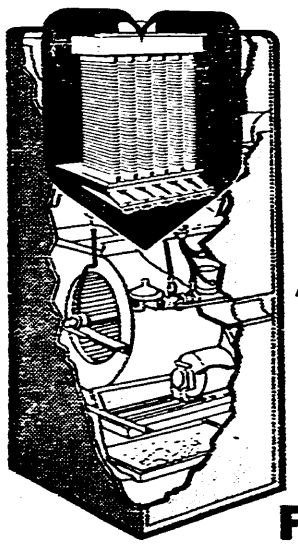
but don't gamble... INVESTIGATE!



A good look into the "heating heart" of the gas-fired furnace quickly reveals the great difference in design and quality.

One of the most obvious tests of any unit is the durability of its heating heart (or heat exchanger).
