Dear SJEF,

As early as 1984 we could read in DEMS BULLETIN 84,3-12 the following:  
IT IS OBVIOUS THAT DEMS HAS A TREMENDEOUS COLLECTION  
OF VARIOUS KINDS OF INFORMATIONS.I SUGGEST DEMS SHOULD  
PUBLISH THIS IN ORGANIZED FORM IN ORDER TO REPLACE THE  
NOW EXISTING CAOTIC POOL OF DEMS INFO GATHERED THROUGH  
THE YEARS. (Akesson)

and DEMS answered something like this:

"YES WE HAVE,BUT TEN TRAINED MEN FOR TEN YEARS TIME  
MEANING 1 TO 2'000.000 SWEDISH CROWNS TO BE INVESTED  
WOULD BE NECESSARY....."

**This was 11 years ago (!!) but I often wondered how it could be possible for a non-profit organization as DEMS and Mr. AASLAND to go with such ease through such an amount of accumulated informations and files ,which obviously is hard to imagine,for our very great pleasure provided by all these DEMS BULLETINs since .....?**

**I'm just amazed and very very grateful** and would have liked to do something that could have been useful in this field. ALL FOR THE LOVE OF DUKE ! Yes, that's it.

The attached pages are my very modest attempt to list the various informations refering to a same date and published in DEMS since mid 1979...

Oh....I know,there must be some errors and a lot of omissions,as I only mentioned informations I felt to be of interest to ME. But if this list can help you to find only ONE information you have been looking for since some time... I would feel good.

Very sincerely Yours and ALL .. (well,you know..)

Klaus 

PS: Merci beaucoup pour votre envoi de AZURE CA- 19 et THE PIANO PLAYER  
bien recu aussi votre lettre du 24 07 95 avec la correction du dernier titre
