THE MOTHER club of district 26 met May 1 at 2:30 o'clock. The regular school work was observed, after which the minutes of the previous meeting were read. Mrs. Miner Olson and Miss Solvey Larson gave a report of the P.T.A. convention held at Albert Lea, Minn. Mrs. Peter Dyrdal and Mrs. Henry Gulbrandson served a fine lunch.

THE HILLSIDE CLUB held its regular meeting Thursday evening at the home of Mrs. P. Cornick, North Pearl street. Mrs. Cornick was assisted by Mrs. Henry Johnson. Luncheon was served and entertainment for the social part of the evening. Prizes were awarded to Mrs. Adolph Huff, Mrs. C. C. Johnson and Mrs. D. Cornick.

THE REGULAR meeting of G. A. R. and W.R.C. was held Thursday evening. The meeting was called to order by the president Mrs. Elizabeth Sabin, at the conclusion of which a fine lunch was served by Mesdames Alma Weeks, Stella Thomas, Anna Winston, Clara Thomas and Emily Drommerhausen. Birthdays for May were celebrated for Mesdames Ellen Margaret Jensen, Christine Burgett, May Littrell, Alma Converse, Ethel Thomson, Commander H. H. Lukins and Ole Severson. Mr. Lukins will be ninety-one this month.

AT HER attractive home on Fourth street Mrs. Earl Hunt entertained last evening at a delightful informal bridge party, at which sixteen guests were present. Hon-

ors for playing went to Mrs. Harold Kaplan, Mrs. Evan Wulf and Mrs. Clayton Wulf. At the conclusion of the playing Mrs. Hunt served a very nice two course lunch after which the guests enjoyed going through their lovely home, as many of them had not had the pleasure before. They found much to interest them in Mrs. Hunt's father's den in the basement in which he has his various collections of relics, and hundreds of interesting nick nacks.

MISS GLADYS Knudson, daughter of Mr. and Mrs. H. R. Knudson of Court street entertained a group of eight friends at an informal "bunco" party at her home last evening. Honors for playing went to Miss Ruth Amundson and Miss Beryl Esse. The guests included a group of former high school friends and Miss Marjorie Jamison, who with Miss Knudson is a student nurse at the Northwestern hospital in Minneapolis, and Miss Beryl Esse, who is a student nurse at the Deaconess hospital in Chicago, were out of town guests. Miss Knudson has been spending the past two weeks at her home and leaves Sunday to continue her final year's study. She will be detailed to special work at the Ripley hospital in Minneapolis upon her return. Miss Jamison has also been enjoying a vacation with her parents here, and will remain for another week. Miss Esse has been home because of ill health and it is expected she will soon be able to return.

at Drake University in Des Moines, Ia., will be pleased to know that she was recently elected to membership in the Natural Science club. Only three new members were added at this time, one boy of the junior class, a boy of the sophomore class, and Miss Tuberty as a freshman. Miss Tuberty is an honor student at Drake also.

Looking Good—The crop season in Freeborn county is well ahead of normal in spite of the heavy frosts this spring. The rains have been of great benefit in their effect on meadows, pastures and small grains. Farmers are resuming their corn planting which was abandoned by the rains. More rain is needed, after corn planting. In some parts of Iowa corn is already coming up.

Paid Fine—Recently Joe Otteson of Geneva was arrested on a charge of taking fish out of season by Game Warden Charles Turnbull. When arraigned in court he was fined ten dollars and costs by Justice O. F. Missman which sum has now been paid. Because the matter was not settled immediately at the time of the arrest the case was not reported to the Tribune until today.

At St. Olaf—K. O. Emstad of Second avenue west and Albertus Hanson of Third avenue west went to St. Olaf lake this morning to enjoy the opening day fishing.

Here Tuesday—Mrs. C. S. Sabin has as Tuesday luncheon guests her cousin, Mrs. George Luce and daughter Marian, of Minneapolis. They were enroute to Ohio to visit relatives.

Complete Redecorating—The sheriffs residence is being completely redecorated and refinished at this time by Albert Hougard. It has been some time since any work has been done on it and for that reason the work has to be very extensive. Before papering can be done considerable plastering will have to be finished. The woodwork and all the interior will have to be gone over also, and the job will take some time. The sheriff's family are residing in the home however.

Visiting Here—This morning Mr. and Mrs. Burr Brown of Hollywood, Cal., arrived in the city to visit with their relatives and old friends. They were formerly of Albert Lea. Mr. Brown was one of the proprietors of the Commercial Printing Company of this city for many years. He now operates a fine job office in Hollywood. While here they will make their headquarters with their parents, Mr. and Mrs. L. O. Braaten of Hayward.

Call University Minister—At a special meeting of First Lutheran church last evening, the congregation unanimously decided to extend a call to Rev. C. S. Thorpe, of Minneapolis, to succeed Rev. J. C. K. Preus as pastor of the congregation. Rev. C. S. Thorpe is a son of the late State Senator Thorpe of William, Minn. He is at present pastor of the Lutheran University church of Hope, serving the Lutheran students of Minnesota University in addition to a large city congregation.

Considerable Excitement—Residents of Hayward experienced a bit of excitement this morning between ten and eleven o'clock when a fire started in the Thomas elevator. An electric motor for grinding feed became overheated for some reason, but shortly after the blaze was started in the top of the elevator, it was discovered. The fire department and the men of the elevator were able to extinguish the fire with water and chemicals. Had only a few minutes more elapsed before the blaze was discovered the fire might have been a very costly one, owing to the high wind which was raging all day today.

Held Meeting—Nursing committee members of District No. 3 met in the First State Bank of Myrtle Tuesday afternoon at 2 o'clock. They were very pleased to have with them Mrs. M. Blacklin of Albert Lea. Mrs. Blacklin extended an invitation to all interested to attend the 50th anniversary of the organization of the American Red Cross on May 21 at 8 o'clock in Bethany hall at the First Lutheran church of Albert Lea. She gave an outline of the program now being prepared for that evening. It is urged that many of the people in every community attend. Plans for the annual meeting in June were also discussed. It was decided to have a picnic on June 11 at Albert Lea.

New Churches—Grace Lutheran church will build this year a new \$10,000 house of worship at First street and Prairie avenue. The building committee has approved plans made by Thorwald Thorsen, architect, of Forest City, Iowa, and the congregation has authorized immediate construction, the work to be completed this summer. The structure is to be of brick and tile construction, trimmed with cut stone. There will be a full basement, arranged to accommodate the many activities of the modern church. The auditorium will have plastered walls with paneled, masonry ceiling; this to have open truss work which will give added attractiveness. On the main floor will be a rest room. This will have casement sash, opening into the auditorium, making it possible for mothers who bring their little ones to enjoy the services. A pastor's study is also included in the plans. —Fairmont Sentinel.

BUCHAREST, TO HONOR ILEANA'S BETROTHAL

Bucharest has started plans for elaborate functions to honor the return of Princess Ileana of Rumania and Archduke Anton of Austria whose betrothal recently was announced. A mutual fascination for aviation led to the romance. Ileana is shown in center in her flying costume, at right among her library books, while at the left is a recent portrait of her.

Plan \$100,000 Hospital.
Duluth, May 15.—(P)—The board of commissioners of St. Louis is giving consideration to application of several large communities for construction of a proposed \$100,000 hospital. Construction of the hospital was authorized at the recent session of the state legislature, the location was not selected by bill specifying the institution built "on the iron range."

Future Fashion Note
Our guess is that some sets might make a fortune by inventing a vaccination scar that would look like a dimple.—Dallas Morning News.

AMUSEMENTS

Nowdays pictures must be realistic or they fall by the wayside. Trader Horn, which showed at the Broadway yesterday will never cease to draw interested spectators, those who have read the book and those who have not. It is realistic to a degree. It necessarily had to be, as it was made in Africa, where the story lies. The film company must have had thrills galore when they were filming Trader Horn, as they have caught many thrills for the audience. Danger on every hand, suspense and horror are faced by Trader Horn and his party. The picture will be presented again tonight and tomorrow.

Ambidexterity
If, in spite of precautions, you should one day detect the acrid, penetrating odor of a chimney fire, pour five or ten pounds of table salt down the chimney and at the same time turn in an alarm of fire.—Domestic article in a woman's magazine.

Quite a Stranger
"Tomorrow afternoon," said a minister to his congregation, "the funeral of Mr. So-and-So will be held in this church. I shall make a funeral address on the occasion, and the man himself will be here, the first time in twenty years."—Diocesan Record.

A Helping Hand
