## Harlem's Aristocrat of Jazz at Madrid Tonight

Duke Ellington and his Cotton Club Orchestra will appear in person at the Madrid Ballroom tonight.

There is only one band in the world that plays like this! And that band is Duke's, the hottest band in the world. He will feature the fascinating Ivie Anderson, one of the world's greatest blue singers. This city will get a new thrill, one that will never be forgotten when the music of Duke Ellington rings from the Madrid Ballroom tonight.
