ured possessions consist of the lauda-
ble comments of their fellow musi-
cians. Many famous leaders and
composers attain their popularity de-
spite the fact that when it comes to
true artistic musicianship they are
sadly imperfect.

time the other periods are an-
nounced. Each performance is a
continuation of the story.

Vera who has very definite and eccen-
trary notions about going into movi-

Emulate Their Mother
A graduate of the University
California, Thelma worked her way
through the college of speech, part-
ly by singing as staff artist over N. B.
and partly by teaching night scho-
Her mother was an elocutionist.
The old days when recitals and chur-
dramas were the thing. Papa Brov
often found his church funds grow-
ing because of her splendid help
staging successful community pla-
And Thelma wants to be like h
mother most of all. For she was
very fine woman, loved and respect-
ed by all who knew her.

Melba has started at least thr
fads in Hollywood. Chiefly amon
these is the funny way of rubbin
the hands together in accompan-
ment to their skit-sket tunes. At
evening you might walk into th
King's Club and see the whole sh
bank in the throes of this jazzy rit
And do they take it seriously!

Vera doesn't give half a who
about how big the bank roll grows;
she does the number of young blad-
that call her evenings for dates be-
fore the show goes on. She is th
