The CCRA is drawing about a half dozen color-lines among its workers, visitors, and others. Our local Federation of Women's Clubs as well as the local NAACP branch ought to look into this matter, immediately. Then there are many of one kind and another in the city departments. A SPLENDID LAW!

The Governor Signs the McClain Bill, Which as a Law Prohibits Discrimination on Public Works Jobs.

Columbus, O.—Gov. Martin L. Davey (Dem.), promptly signed the bill, sponsored by Representative R. P. McClain of Cincinnati, our only member of the Ohio Assembly, which prohibits discrimination against any person on Public Works on account of race, color or creed. The bill passed both houses of the legislature with a large majority. Reresentative McClain is to be congratulated for having successfully engineered it thru the State Assembly. The bill had the endorsement of numerous state, civic and religious organizations. Gov. Davey called Dr. McClain into his office to witness the signing of the bill, so pictures could be made.

Costigan-Wagner Bill Dead!

Washington, D. C.—Introduction of the Wagner-Costigan anti-lynching bill was a call to arms to southern senators and to latent sectional feeling. The southerners set out to kill the bill by filibuster with a determination seldom witnessed in the upper body. As a result the bill never came to a vote. Changes in the Senate's rules can be effected only by a two-thirds vote. Motions to amend the rules are subject to debate. It would be as easy for a sizable minority to block revision of the rules as it was for the southerners to kill the anti-lynching bill.

Cost of Mussolini's "Adventure"!

New York City.—Mussolini's military program in Africa has cost $31,000,000 up to date. War preparations are being intensified as shown by the fact that African "military" expenses in February amounted to $5,000,000 while in March they amounted to $14,000,000. The total strength of Italian armed forces recently sent to Eritrea and Italian Somaliland is between 40,000 and 50,000 men. This figure does not include troops already in these colonies at the outbreak of the Italo-Abyssinian wordy conflict.

Something Wrong!

There is something radically wrong with a group of people who refuse to help relieve their own burdens. The day of throwing bouquets is gone forever. The Afro-American must face the facts as they exist. We won't gain anything by fooling ourselves into thinking that everything is all right. Everything, affecting the lives of Afro-Americans, is all wrong. The sooner we face these facts, the quicker we will begin to work for our own salvation, the sooner will we attain our rightful place as American citizens. — Philadelphia Tribune.

POLITICAL SERVANTS.

Alfred Hall, son of Councilman Frank Hall (deceased) of Cincinnati, had the following political classic in the Cincinnati Union of last week: Are the present colored politicians leaders or merely servants of politicians? That is the question which must be solved before we, as voters, can ever hope to participate in the government of which we are a part. Everyone fully realizes that OUR VOTE IS USED MERELY TO PUT THE OTHER FELLOW IN OFFICE AND, AS FAR AS WE ARE CONCERNED, AND HE IS CONCERNED, THAT IS THE END UNTIL NEXT ELECTION.

The foregoing applies perfectly to the situation here in Cleveland and with greater force than it does in our sister city down on the Ohio river. Our Councilmen, for the city-jobs they get for constituents, are political SERVANTS, pure and simple, while city color-lines of all kinds continue to multiply. They apparently are not concerned.

WHAT THE MAYOR MEANT.

Mayor Harry L. Davis said, among other things, Sunday evening, in his talk at St. John's A. M. E. church: "The thing you people are entitled to in Cleveland is a paper that you can rely on to tell nothing but the truth."

When he said "you people," the Mayor meant ALL the people of this city and not simply our people. Then, too, he knew and knows, as he has said in the past, that in "The Old Reliable" Gazette, the only one of our local publications to do yeoman service for him in his last campaign, our people of this community, and the entire country for that matter, "have a paper that they can rely on to tell them nothing but the truth." Also, that The Gazette has been doing this for them for more than a half century. Mayor Davis had reference to the daily newspapers and all of the people of this city when he said what he did and we have republished above. And he was NOT in error in making that statement, either. Cleveland needs a morning Republican paper that will be fair to all and "tell nothing but the truth." However, so long as our people have "The Old Reliable" Gazette they only, of all the residents of this city, can struggle along without such a publication.

REFRESHING RELIEF OF CONSTIPATION

Avoid constipation! If you disregard its warning and neglect to treat it promptly, look out for sickness! You cannot hope to have good health if you do nothing to prevent or to relieve constipation. Some of its disturbing effects may be—

Billous attacks, poor appetite, bad taste in the mouth, dizziness, bad breath, coated tongue, sick headache, spots before the eyes, bloating of the abdomen, belching up of gas, uneasiness, physical and mental sluggishness, etc.

When you need a medicine for constipation, you won't find a better laxative than a NATURAL medicine, like THEDFORD'S BLACK-DRAUGHT, made out of the leaves and roots of certain highly approved medicinal plants. Black-Draught costs less than most laxative medicines, so you can afford to keep it and take it, when needed.

If you are feeling bad, like you might be in need of Thedford's Black-Draught, take a dose tonight and feel better tomorrow. Sold in 25-cent packages. HS8TZ
