## **Ellington Just Plays, Doesn't Care for Whom**

Duke Ellington of "Mood Indigo" fame, composer of many other popular airs and leader of a famous dance orchestra, really plays for the love of music.

When asked Thursday night who was sponsoring the dance at the Foot Guard Armory at which he was playing, he replied: "I don't know anything about it. I'm just playing here."

He said he liked Hartford audiences and that they were unusually intelligent, "especially musically intelligent. I am always glad to be here."

The Notley Club sponsored the dance.
